

# Notes for 26 January (System calls, etc.)

26 January 2011

## **Agenda and readings**

- §2.1 OS services
- §2.2 User OS interface
- §2.3 System calls
- §2.4 Types of system calls
- §2.5 System programs
- §2.6 OS design and implementation
- §2.7 OS structure
- §2.8 Virtual machines

## **Notes from 26 January (snowy day)**

Helped with some problems on A1. Gave slight overview of A2: screen and keyboard drivers. A2 is now available on the web site. It's long, so get started soon (after finishing A1).

## **Notes for 2 February (partial make-up day)**
